Sandy Milo, President  
Judy Moore, Quilts for Kids  
Orange County Quilters Guild

Dear Sandy and Judy ,

Thank you, thank you, thank you for the beautiful quilts that you so generously gave in support of our single mothers. What a wonderful gift! I wish you could have seen their faces and heard their comments as they opened them and almost reverently touched them. It was such precious.

Your thoughtfulness in offering such a gift is so appreciated and not just by the mothers who received them. We at My Safe Harbor are truly grateful for your partnership in helping to reach these women who have so little and need so much. The really wonderful part is that many of them have been taking a sewing class and their project has been to make a quilt! To see such advanced and detailed examples was especially meaningful to them and was truly inspirational.

Thank you, too, for participating in the centuries old American tradition of women helping women. That kind of investment in the future is what makes all of us proud of our country and willing to be so generous. There isn't one of us that hasn't benefitted from the investment and encouragement of another.

Just so you know, a few of the quilts were also set aside to be part of the layettes we make for new babies and we're looking forward to continuing your gift throughout the year.

Sincerely,

Becky Ahlberg  
Executive Director
