

August 2014
Charm Squares of the Month

We will be bringing in 6-1/2" charm squares instead of blocks for our August 12th meeting.

Theme: Halloween colors and/or Halloween prints

What to do: Put 3 (three) DIFFERENT Halloween 6-1/2" charm squares in a baggie. Please, if you bring multiple baggies, make sure you **DO NOT DUPLICATE** the same fabrics in any of your bags. You may bring up to 5 baggies, which would amount to 15 different charm squares in all.

That's it! This should be spooktacular!
