

## 6" Christmas Ornaments Block

For each block, cut:

- One 7" square of green background fabric
- One 1" square of gold (yellow) or silver (gray) for the ornament hanger
- One 4" diameter circle of fabric of your choice for the ornament  
(Applique patterns are on next page – circle should print at 4 inches across at widest point.)

### Machine Appliqué Method:

Trace hanger and ornament shapes onto the paper side of fusible web. If desired, trim out center to reduce stiffness of block. Iron fusible web onto the wrong side of the fabrics. Cut out shapes and remove the paper backing. Place roughly centered on background fabric, layering the ornament on top of the hanger. Iron to affix, then stitch to secure, using whatever stitch you prefer. Press. Trim block to 6 ½" square.

### Hand Appliqué Method:

Trace hanger and ornament shapes onto the right side of your fabrics. Cut out, being sure to add your desired seam allowance. Place roughly centered on background fabric, layering the ornament on top of the hanger. Turning under seam allowance, stitch to secure, using whatever sewing or embroidery stitch you prefer. Press. Trim block to 6 ½" square.

### Ideas:

- Fussy-cut your fabric to center a particular design
- Sew together strips to make a striped ornament
- Sew on ribbons or lace or trims to decorate your ornament
- Embroider a saying ("happy holidays!") or design
- Piece a miniature quilt block for your ornament

Finished block should measure 6 ½" square.

Put your name in the drawing once for each block turned in (maximum of five).
