

## Imogene's Baskets

### Supply List

#### Total Fabric Needed:

Back Ground Fabric - 2 yards

Center of Basket Fabric – ¼ yard

I use yellow to represent flowers.

Assortment of Fabrics for Baskets and Border – 2 yards

I use quarter yard, fat quarter and fat eighth cuts along with any scraps that I have to make a great riot of color in the border.

#### Additional Items:

Sewing machine in great working order and a really accurate ¼” setting

Small cutting mat

Rotary cutter and scissors

Matching thread

Your favorite ruler for cutting fabric and these are helpful:

12” or larger squaring up ruler for getting accurate blocks

ruler for making flying geese.

(I use BlocLoc rulers. Super cool! For this pattern I used: a 1”x 2” Flying Geese ruler. Great ¼” seam allowance every time!)

I also use a BlocLoc 4.5” to 6.5” Half Square Triangle ruler

Quarter Inch ruler is useful too

Pencil and sharpener

Pins and any other quilting items you may need
