

OCQG Workshop - November 15, 2017

Gentle Curved Piecing & Other Techniques with Mike McNamara

Orange Quilt Bee, 9 am to 3:30 pm

Supply List

- Sewing machine with its accoutrements
- Scissors
- Rotary Cutter
- Cutting Mat
- Rulers, large and small
- A lunch, snacks, a sense of fun, and a piece of ugly fabric.

Fabric:

Bring fabrics that play well together. Feel free to take notes, take pictures. There are no handouts, just be prepared to follow verbal instructions, do your best, any doubts or confusion: ask questions. There are no mistakes. Feel free to work with fabrics you're not used to and want to try out. We'll be making fabric, not a finished quilt top.

- **Fat quarters** (18"x21") or 20"x20" pieces - bring about 14
- **Half yards** (18" x selvage to selvage) or 18"x42" pieces - bring about 10

What if I don't bring enough?

-- we are in a fabulous quilt shop, so duh!

-- I bring fabric with me to share

-- when your neighbor's not looking . . . kidding
