

OCQG Block of the Month
JANUARY 2016
Flying Geese

All seams are 1/4"

Cut

Four different florals: 2 1/2" x 4 1/2" rectangles

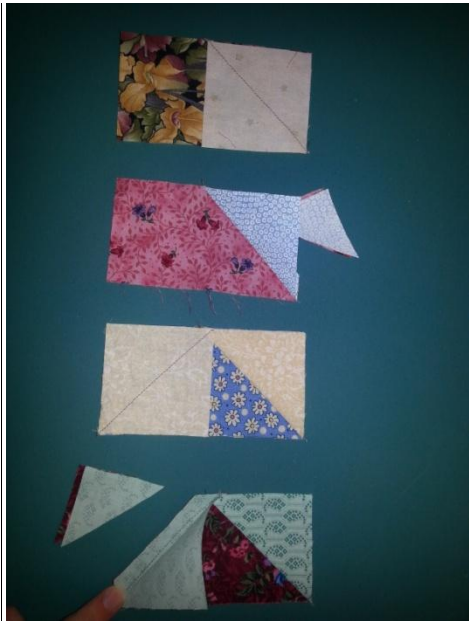

Pick one light valued fabric for each floral: Two 2 1/2" squares of each of these fabrics; total of 8 squares

Place one square on the rectangle right sides together; use your favorite method to sew a diagonal line corner to corner (press a fold on the diagonal, draw a line on the diagonal, or eyeball it).

Press into the corner of the rectangle and trim the excess fabric from the back.

Now do the same thing to the second side.

Sew the geese together doing your best to keep the point of the geese by staying to the seam side of the stitched "x"

Press seams away from the points. Block should measure 4 1/2" x 8 1/2"

Put your name in the drawing once for each block turned in (maximum of 5). Questions? Call Jill at 714-381-9812
