**Trace Pattern for Stem – draw a line in center of pattern following the curve. Fold the Stem Fabric in half – Wrong Sides Together. Place raw edges along the Inside of the Curve (concave side) and pin to hold in place. Make a running stitch along the raw edges about 1/8” away from edge. When complete, fold stem fabric over the raw edges and hand applique and or machine applique the stem to the 4-1/2” Square following placement diagram.**
