

Block of the Month
February, 2015

In keeping with the theme of our February meeting, “Two Terrific Colors,” please make a two-color block this time. Here are the rules:

1. Choose a pattern you like for a 10-1/2” unfinished block that would be suitable for TWO colors. I suggest visiting the following website for free pattern ideas: <http://www.quilterscache.com/QuiltBlocksGalore.html>.
2. ONE of the two colors must be white or white-on-white.
3. The second color can be a JEWEL TONE of your choice that is solid or “reads” solid.
4. You may make up to 5 blocks, but PLEASE use a DIFFERENT JEWEL TONE for each of them if you make more than one. To make it even more interesting, you may use a different block pattern for each one as well.
